

Dear Sirs/Madams,

BUYBRAND Company has the honor to invite you to take part in the International exhibition **PayTech 2008**, located at the «Expocentr», **Russia, Moscow**, on **March 19, 20 and 21, 2008**.

Exhibition sectors:

- payment systems
- self-service terminals
- POS-terminals
- smart card technologies
- internet-banking
- soft
- payments with use of mobile communication
- components

This exhibition is held under support of «National Association of Participants of Electronic Payments Market», in «B2B» and «B2C» formats, with the goal to make for its participants optimal conditions for business cooperation both with current and prospect partners. **PayTech** is going to expand number of players of electronic payment market, attracting small- and medium-size companies from Moscow and many regions of Russia

Among visitors of **PayTech** there are largest Russian and international banks, processing companies, mobile operators, and other companies which are engaged in rendering of electronic services.

If you need any further information about **PayTech 2008** exhibition address, registration procedure, etc. please don't hesitate to contact us.

We look forward to beginning the dialog and then to expanding our increasingly beneficial relations.

Best regards,
Matveeva Anna
